

# **PARSLEY, SAGE, ROSEMARY AND THYME**

## **NEW WRC Gardening SIG (Special Interest Group)**

Here are some suggested topics to start discussion as **YOU** form **YOUR** group in response to **YOUR** interests.

Volunteer Coordinator(s) to run this Gardening SIG

Frequency of meeting (1-2 x a month during summer, once a month throughout remainder of year?)

Method of meeting: in-person, virtual and/or combination thereof?

Focus of the group: outdoor gardening, balcony/patio container gardening, houseplants or any/all combination thereof?

Activities of Gardening SIG, such as:

- ❖ Share seeds, plant clippings, Q&As
- ❖ Tour neighborhood gardens, famous local gardens
- ❖ Arrange lectures by various experts
- ❖ Help in tilling, planting, weeding, pruning and/or harvesting
- ❖ Set up Help Hotline regarding such issues such as treating diseased plants or insect infestation

Information on special gardening techniques such as hydroponic or micro gardens

Volunteer to write periodic updates on Gardening SIG activities/events for inclusion on WRC's website

Is anyone know a certified horticulturist, arborist or Master Gardener?
